

What's new at Delta Dental of Idaho?

Winter 2019

HEALTH *through* ORAL WELLNESS®

A healthy mouth is a vital part of overall health.

In October 2018 Delta Dental of Idaho launched the revolutionary HOW® program, which provides additional benefits to a patient's dental plan based on their individual oral health needs. By performing a simple risk assessment, patients may have access to additional preventive and health-sustaining benefits. The risk assessment helps educate your patients about their dental health and, hopefully, lead to more dentist visits as they use their benefits. And the cost? Nothing!

Customers
No Additional
Costs

Professionals
Receive Claim Payments
for Performed
Procedures

Since HOW® launched in October, 289 dentists have taken advantage of the program. It only takes a short amount of time to set up before you can get started! Ask us how easy it is today!

Premier/PPO Fee Increase!

The Delta Dental of Idaho team is actively encouraging our clients to use their benefits, which translates to more dentist visits. This should create more revenue for you. To help further, we are providing a fee increase for your practice. Effective February 1, 2019, general dentists in the Premier and PPO networks will receive a fee increase of 3.5% for all diagnostic and preventive procedures (codes 00100-01999). The fee increase is rounded to the nearest dollar amount.

Annual Conference and Delta Dental of Idaho's Meet & Greet

Delta Dental of Idaho, in partnership with the Idaho State Dental Association (ISDA) Annual Conference, will host a Meet & Greet on June 12th from 5:30pm to 7pm at the Grove Hotel in Boise Idaho. This time will be dedicated to discussing topics of interest to you with our leaders and members of our board. Hearty hors d'oeuvres and complimentary beverages will be served. *For your convenience, you may RSVP to Delta Dental of Idaho's Meet & Greet when you register for the ISDA Annual Conference!*
